

LED Batten

INDOOR SERIES

PRODUCT OVERVIEW

Solid and functional, the new **AL TSA LED Batten** range are the ideal solution for indoor, commercial and industrial applications. Designed specifically for LED, their tough IK08 exterior and high transmittance, Low glare diffuser give great performance and light distribution for all internal applications.

The **AL TSA Batten** range is suitable for ceiling, wall and suspension mounting. Large terminal block and through cable conduct entry for easy installation. These new integrated LED Batten Lights are cost-effective and stylish alternative to LED ready battens and LED tubes.

It is a perfect replacement for single fluorescent battens.

Each light comes complete with integrated LED chips and LED drivers, which means all you need to do is fix it to the ceiling, connect to the mains and you are done.
